

# NOSSA Photograph Competition

---

## Rules

There is only one rule – the image must have a direct link with Australian Orchids.

The image is not limited to just a photograph – any form of artwork, Photoshop editing, enhancing, etc is acceptable.

The image is not limited to orchids in the wild but can include cultivated orchids including hybrids and cultivars – they just have to be Australian natives.

## How to Enter

Images can be

- Emailed
  - When emailing the file can be as large as you chose and are able to send.
  - As they will be printed onto A4 photograph paper please ensure that they are able to be printed at that size
  - See Journal for email address or use the Contact Us page on the website
- Posted
  - If requested, small photographs can be scanned and printed out as A4.
- Brought to the meeting on the night
